TO OUR PATRONS

It is with pleasure, that we offer our 1958 spring price list. Our 15th successive season. We wish to express our thanks for the continued consideration you have given us in the past.

To celebrate our FIFTEENTH YEAR, we will include in each order of \$5.00 or more, as long as supply lasts, a new 1958 introduction. . . ANNIVERSARY . . . Deep yellow sport of IVORY GLOW.

We expect to have an extensive display of English Imports, this fall. In order to be able to give our customers the necessary time to see the new varieties, the garden can be viewed only by appointment. We would like to know in advance if possible. Gardens close Nov. 1st. We are located six miles southwest of Cleveland Public Square, in the village of Brooklyn Heights, about ½ mile north of Brookpark Rd., which is Rt. # 17. Van Epps Rd. is off of Schaaf Rd.

HOW TO ORDER

CASH WITH ORDER

NO C.O.D. ORDERS ACCEPTED

WE SPECIALIZE AND GROW CHRYSANTHEMUMS ONLY. WE LIST OVER 200 OF THE BEST — SELECTED FROM OVER 400 VARIETIES WE GROW IN OUR TRIAL GARDENS.

Our stock is carefully selected from plants that were inspected, disease-free and specimen plants, in our 8 acre planting of Chrysanthemums. All our stock is outdoors during the blooming season. Our plants are guaranteed true to name and in healthy condition. All plants proved otherwise, will be replaced.

CUTTINGS WILL BE READY — for shipping from Feb. 15th to July 1st. Plants will be well labeled and packed, assuring you beautiful, sturdy, blooming plants this fall.

ON ARRIVAL OF YOUR PLANTS — If on arrival, your plants should be a little dry, put them in water to cover the roots for a few hours, or until the next day. Best time to plant is late afternoon or evening. If your garden soil is well prepared, and the weather is cloudy or just after a rain, you can plant them right out. Keep soil well watered for a few days.

PRICES IN THIS CATALOG — CANCELLED AFTER JULY 15th.

NEW INTRODUCTIONS RELEASED BY DR. E. J. KRAUS — 1958.

75c each (Rooted Cuttings)

We are sure that if you have tried some of Dr. Kraus's recent introductions, you have enjoyed them, as we have. The following are some released this year.

ARTHUR BOUQUET — A bright orange, full double, good quality bloom, a fine border or spray type.

MARCELLA BURKHARDT — One inch full double, ashes of roses, in clusters. A good cut flower, in sprays, compact 20 inch plant.

ROSE BULLIS — A fine pom, of pink to rose shading, good for border or cut.

NEW VARIETIES FOR 1958

We are extremely happy to be able to offer you these two new sports—of two outstanding English varieties.

CHRISTINE—(Ladygo) (Sport of Pamela James) exactly the same except for color, which is a Jasper red to bronze color, which blends so well with the fall landscape. This can be grown for border, or disbudded, compact plant. Full reflex bloom 4-6 inches. disbudded—larger.75c each.

SATELLITE—(R. L. Spain) (Sport of Stuart Ogg) exactly the same, except for color, which is a clear primrose yellow, a soft glowing color, which holds the eye, and is admired by all. The same shade as Ruby Breithaupt. Flowers are large and fully reflex, over 6 inches disbudded. This color will blend with anything. Will make a bright glow in your garden, like a true satellite.\$1.00 each.
